

Visit a vibrant community of artists & makers, showcasing their creative talent, against the stunning backdrop of the iconic Forth Bridges.

Saturday 31st May & Sunday 1st June 2025 (10am-5pm)

The historic communities to the North and South of the Forth Bridges are home to a host of creative talent and we invite you to come and meet some of them in our very first Forth Bridges Creative Trail.

The Trail is packed with artists and makers and has something for everyone, including creative workshops for adults and kids.

It's a wonderful opportunity to meet the makers, find out more about them and possibly take home an original piece of work!

The Trail showcases over 30 local creatives, working in a range of mediums, including: Acrylics, Oils, Pastels, Charcoal, Collage, Ceramics, Silver, Textiles and Wood. Creating beautiful and unique pieces of art.

And of course, everything is set in and around the iconic Forth Bridges with their enviable array of independent shops, café's and restaurants – some have special offers available for this weekend.

Come and spend a lovely day (or two) being inspired. We'd love to see you!
